

SPECIAL OPERATIONS/
LOW-INTENSITY CONFLICT

THE ASSISTANT SECRETARY OF DEFENSE
WASHINGTON, D.C. 20301-2500

DEC 29 2000

The Honorable Floyd D. Spence
Chairman
Committee on Armed Services
United States House of Representatives
Washington, D.C. 20515-4002

Dear Mr. Chairman:

The Floyd D. Spence National Defense Authorization Act (NDAA) for Fiscal Year 2001 (P.L. 106-398) requires "a report that details the expenditure of funds by the Secretary during fiscal year 2000 in direct or indirect support of the counter-drug activities of foreign governments" be provided to the congressional defense committees.

Enclosed is the Report on Department of Defense Expenditures To Support Foreign Counterdrug Activities. This report provides a country and, as appropriate, regional breakdown of the Department of Defense counterdrug program. Regional breakdowns are required in some cases since most of our high-dollar programs are mobile and cover a large geographic area (e.g., the ROTHs, CBRNs, and aerial and surface platforms). Therefore, it would be misleading to sort all programs by country. These programs are authorized under Section 1004, NDAA of FY 1991; 10 U.S.C. Section 124; and Section 1033, NDAA of FY 1998. For your reference, I am enclosing a copy of these legislative authorities. Detailed program descriptions can be found in the most recent counterdrug budget justification book, the FY 2001 Amended Budget Estimates (February 2000). Thank you for your continued support of the Department's counterdrug efforts.

Sincerely,

Brian E. Sheridan
