

OFFICE OF THE ASSISTANT SECRETARY OF DEFENSE  
WASHINGTON, D.C. 20301-2500

SPECIAL OPERATIONS/  
LOW-INTENSITY CONFLICT

APR 18 2002

The Honorable Bob Stump  
Chairman  
Committee on Armed Services  
United States House of Representatives  
Washington, D.C. 20515-4002

Dear Mr. Chairman:

The Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 (P.L. 106-398) (enclosed) requests "a report that details the expenditure of funds by the Secretary during fiscal year 2000 in direct or indirect support of the counter-drug activities of foreign governments" be provided to the congressional defense committees. The National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107) (enclosed) extends the submission of this reporting requirement not later than April 15, 2002.

Enclosed is the report that provides a country breakdown of the Department of Defense counternarcotics program, keyed to project codes listed in the Department's Congressional Justification Book. Although not required, I have included a regional breakdown at the end for the Department's high-dollar programs which are mobile and cover large geographic areas (e.g., the Relocatable-Over-The-Horizon-Radars, Hemispheric Radar Systems, and aerial and surface platforms). Program authority is indicated as being Section 1004, National Defense Authorization Act of Fiscal Year 1991; 10 United States Code Section 124; or Section 1033, National Defense Authorization Act of Fiscal Year 1998. Detailed program descriptions can be provided if needed. ~~Thank you for your continued support of the Department's counternarcotics efforts.~~

Sincerely,

Robert Andrews  
Principal Deputy Assistant Secretary of Defense for  
Special Operations and Low Intensity Conflict

Enclosures:  
As stated
